MADREFORMA

alice c/o BRERA

15-21 april 2024
via Marsala 2, MILANO

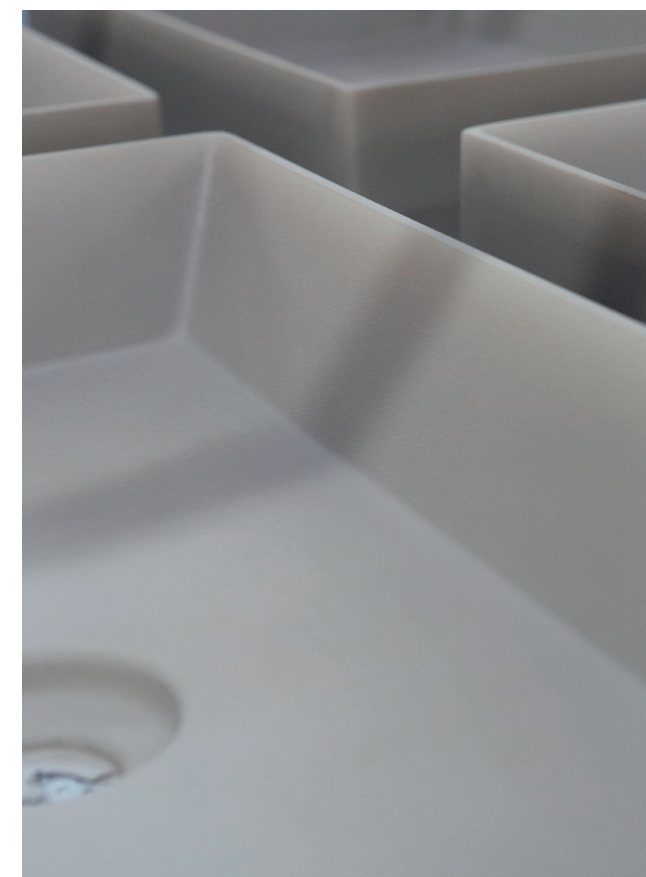

MADREFORMA è il concept dell'allestimento del nuovo spazio milanese di Alice, azienda radicata nel distretto italiano della ceramica di Civita Castellana (VT), di cui conserva l'anima artigianale pur proponendosi con uno spirito ed un linguaggio contemporaneo.

Concepito da à-ro studio come un racconto del saper fare, lo showroom che apre in occasione del Salone del Mobile per presentare le nuove collezioni in un ambiente che riproduce la fabbrica ed i suoi segreti produttivi, ma al contempo accoglie come in casa.

C'è la storia di un territorio che profuma di gesso nello spazio di 150 mq, dislocato su due livelli e con ampie vetrine. C'è il racconto di come Alice sappia accompagnare ogni progetto in tutte le fasi del percorso produttivo, dal disegno al prototipo, dal primo campione sino alla messa in produzione. Stampi e forme, matrici e calchi divengono protagonisti e parte integrante di un percorso esperienziale che si fa racconto, in cui gli elementi della natura dialogano con i sensi per restituirci la vera essenza della materia.

Studio à-ro

MADREFORMA is the concept behind the setup of Alice's new space in Milan, a company rooted in the Italian ceramic district of Civita Castellana (VT), preserving its artisanal soul while presenting itself with a contemporary spirit and language.

Conceived by à-ro studio as a narrative of craftsmanship, the showroom opens during the Salone del Mobile to showcase the new collections in an environment that reproduces the factory and its production secrets, while also welcoming visitors as if they were at home. Within the 150-square-meter space spread over two levels with large windows, there is the story of a territory perfumed with chalk. It tells how Alice accompanies every project through all stages of the production process, from design to prototype, from the first sample to production. Molds and shapes, matrices, and casts become protagonists and integral parts of an experiential journey that becomes a narrative, where elements of nature engage with the senses to convey the true essence of the material.

Con MADREFORMA, Alice inaugura a Milano il primo showroom monomarca in via Marsala 2, nel centrale quartiere di Brera. OPENING 15-21 aprile dalle 10.00 alle 20.00

With MADREFORMA, Alice opens its first flagship showroom in Milan at Via Marsala 2, in the central Brera district. OPENING 15-21 April from 10:00 AM to 8:00 PM.
